EXPLANATORY STATEMENT UNDER THE PROVISIONS OF SECTION 102 SUB SECTION 1 OF THE COMPANIES Act, 2013

Annexed to the Notice convening the Thirty First Annual General Meeting to be held on Monday, 26th Day of September, 2022.

ITEM NO: 3 ADOPTION OF NEW SETS OF MEMORANDUM OF ASSOCIATION

The existing Memorandum of Association (“MOA”) is based on the Companies Act, 1956 and several clauses in the existing MOA contain references to specific sections of the Companies Act, 1956 and which are no longer in conformity with the Act.

With the coming into force of the Companies Act, 2013, the companies now have only Main Business and Ancillary and Incidental Businesses to the attainment of the main business, therefore it is important to adopt new sets of MOA in place of existing MOA of the Company as per the provisions of the Companies Act, 2013. The new sets of MOA is based on Table-A of the Companies Act, 2013.

The Board at its meeting held on 29th August, 2022 has approved to adopt new sets of the MOA of the Company and the Board now seek Members’ approval for the same.

A copy of the proposed set of new MOA of the Company would be available for inspection for the Members at the Registered Office/Corporate Office of the Company during the office hours on any working day, except Saturdays, Sundays and public holidays, between 9.00 a.m. and 5.00 p.m. till the date of AGM. The aforesaid documents are also available for inspection at the AGM.

None of the Directors, Key Managerial Personnel of the Company is interested in or concerned with the Proposed Resolution.

Since the above Item of Special Business to be transacted at the Annual General Meeting, does not relate to or affect the Company in which Promoter, Director, Manager and Key Managerial Personnel are interested, the question of disclosure as required at the Proviso to Section 102 (2) of the Companies Act, 2013, does not arise.

ITEM NO: 4: ADOPTION OF NEW SET OF ARTICLES OF ASSOCIATION

The existing Articles of Association (AOA) are based on the Companies Act, 1956 and several regulations in the existing AOA contain references to specific sections of the Companies Act, 1956 and some regulations in the existing AOA are no longer in conformity with the Act.

With the coming into force of the Companies Act, 2013, several regulations of the existing AOA of the Company require alteration or deletions in several articles. Given this position, it is considered expedient to replace wholly the existing AOA by adopting a new set of Articles as per the provisions of the Companies Act, 2013.

The new sets of AOA are based on Table ‘F’ of the Act which sets out the model articles of association for a company limited by shares.

The Board at its meeting held on 29th August, 2022 has approved to adopt new sets of the AOA of the Company and the Board now seek Members’ approval for the same.

A copy of the proposed sets of new AOA of the Company would be available for inspection for the Members at the Registered Office/Corporate Office of the Company during the office hours on any working day, except Saturdays, Sundays and public holidays, between 9.00 a.m. and 5.00 p.m. till the date of AGM. The aforesaid documents are also available for inspection at the AGM.

None of the Directors or Key Managerial Personnel of the Company is interested in or concerned with the Proposed Resolution.

Since the above Item of Special Business to be transacted at the Annual General Meeting, does not relate to or affect the Company in which Promoter, Director, Manager and Key Managerial Personnel are interested, the question of disclosure as required at the Proviso to Section 102 (2) of the Companies Act, 2013, does not arise.

ITEM NO: 5 CONSENT OF MEMBERS FOR INCREASE IN THE LIMITS APPLICABLE FOR MAKING INVESTMENTS / EXTENDING LOANS AND GIVING GUARANTEES OR PROVIDING SECURITIES IN CONNECTION WITH LOANS TO PERSONS / BODIES CORPORATE

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment or granting loans, giving guarantee or providing security to other persons or other body corporate as and when required.

Members may note that pursuant to Section 186 of the Companies Act, 2013 ("Act"), the Company can give loan or give any guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities of any other body corporate, in excess of 60% of its paid up share capital, free reserves and securities premium account or 100% of its free reserves and securities premium account, whichever is more, with approval of Members by special resolution passed at the general meeting.

In view of the above, the Board of Directors at its aforesaid Meeting recommends the resolution as mentioned in the accompanied Notice for the approval by the Members as an Special Resolution, up to a limit of Rs.25 Crores, as proposed in the Notice.

Presently there is no Manager or Key Managerial Personnel in the Company and hence question of disclosing their or their relatives' interest or concern in passing the Resolution, is irrelevant.

None of the Directors of the Company is interested in or concerned with the Proposed Resolution. Since the above Item of Special Business to be transacted at the Annual General Meeting, does not relate to or affect the Company in which Promoter, Director, Manager and Key Managerial Personnel are interested, the question of disclosure as required at the Proviso to Section 102 (2) of the Companies Act, 2013, does not arise.

STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK

The company is engaged in the business of trading in shares. There is no change in the nature of business in the year concerned.

COVID-19 PANDEMIC AND/OR OUTBREAK OF ANY NEW DISEASE

The COVID-19 pandemic and measures implemented by the authorities to contain it have created new challenges. The pandemic also presented primary risks to the health of employees and their families while impacting business, logistics and supply of contract workforce.

COVID STRATEGY

Throughout the financial year ended 31st March 2022, the global coronavirus (COVID-19) pandemic caused significant economic and social disruption worldwide. Due to outbreak of COVID-19 globally and in India, the Company's management has made initial assessment of likely adverse impact on business and financial risks on account of COVID-19. You will be happy to know that your Company has taken a pro-active approach to keep our assets and people safe while ensuring continuity of business.

Most of our operations were continuing during the lockdown period being 'essential' or 'continuous' in nature.. Accordingly, at present the management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due, and compliance with the debt covenants, as applicable.

RISK DUE TO OUTBREAK OF COVID-19 PANDEMIC

The Company has considered the possible effects that may result from COVID-19 in the preparation of these financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of COVID-19, the Company has, at the date of approval of the financial statements, used internal and external sources of information and expects that the carrying amount of the assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of the same.

DIVIDEND

Your Directors wish to conserve resources for future expansion and growth of the Company. The Board of Directors of your company has decided that it would be prudent, not to recommend any Dividend for the financial year under review.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Siddha Ventures Limited**

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of Siddha Ventures Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of standalone the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Valuation and Existence of Inventories We have focused on the valuation and existence of the inventories in Equity because these represents a principal element on the net assets in the Financial Statements	We have assessed the Company's process to compute the fair value of various investments and inventories .For quoted instruments we have independently obtained the market value and recalculated the fair value. For unquoted instruments we have obtained an understanding of various methods used by the management and analyzed the reasonableness of the principal assumptions made for estimating the fair value and other various data used while arriving at the fair value measurements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information , but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate

internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) No managerial remuneration has been paid during the year
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations on its financial position in its standalone Ind AS financial statements
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company
 - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared any dividend during the year, so reporting under this clause for the compliance with section 123 of the Companies Act, 2013, is not applicable.

Annexure 2 to the Independent Auditor's report of even date on the standalone Ind AS financial statements of Siddha Ventures Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone Ind AS financial statements of Siddha Ventures Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone Ind AS financial statements included obtaining an understanding of internal financial controls with reference to these standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone Ind AS financial statements.

Meaning of Internal Financial Controls with Reference to these standalone Ind AS Financial Statements

A company's internal financial controls with reference to standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls with reference to standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone Ind AS financial statements and such internal financial controls with reference to standalone Ind AS financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

(b) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the Statement of Profit and Loss are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the asset or liability

The following table shows the Levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis at 31 March 2022 and 31 March 2021 :

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements

(All amounts in Rupees lacs, unless otherwise stated)

23 Financial risk management

The Company's business activities expose it to a variety of financial risks such as credit risks, liquidity risk and market risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the standalone financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortised cost. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

i) Trade receivables

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. The allowance account in respect of trade and other receivables is used to record impairment losses unless the Company is satisfied that no recovery of the amount owing is possible. At that point, the financial asset is considered irrecoverable and the amount charged to the allowance account is written off against the carrying amount of the impaired financial asset.

As the Company does not hold any collateral, the maximum expense to credit risk for each class of financial instrument is the carrying amount of that class of financial instrument presented on the statement of financial position. Impairment of trade receivables is based on expected credit loss model (simplistic approach) depending upon the historical data, present financial conditions of customers and anticipated regulatory changes. Company does not hold any collateral in respect of such receivables.

ii) Financial instruments and cash deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

Credit risk exposure

The gross carrying amount of financial assets, net of any impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk as at 31 March 2022 and 31 March 2021 was as follows:

Particulars	As at 31 March 2022	As at 31 March 2021
Trade receivables (refer note 8)	40.00	40.00
Investments (refer note 5)	0.98	0.98
Inventories (refer note 7)	1,351.57	1,310.42
Cash and cash equivalents (refer note 9)	2.54	15.83
	1,395.09	1,367.23

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements

(All amounts in Rupees lacs, unless otherwise stated)

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company has an established liquidity risk management framework for managing its short term, medium term and long-term funding and liquidity management requirements. The Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

Maturities of financial liabilities

The following table shows the remaining contractual maturities of financial liabilities at the reporting date. The amounts reported are on gross and undiscounted basis and includes contractual interest payments. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

As at 31 March 2022:

Particulars	Less than 1 year	1-2 years	2-4 years	4-8 years	Total
Lease liability	-	-	-	-	-
Other financial liabilities (refer note 13)	0.83	28.82	-	-	29.65
	0.83	28.82	-	-	29.65

As at 31 March 2021:

Particulars	Less than 1 year	1-2 years	2-4 years	4-8 years	Total
Other financial liabilities (refer note 13)	1.83	29.67	-	-	31.50
	1.83	29.67	-	-	31.50

(c) Market risk

Market risk is the risk of potential adverse change in the Company's income and the value of Company net worth arising from movement in foreign exchange rates, interest rates or other market prices. The Company recognises that the effective management of market risk is essential to the maintenance of stable earnings and preservation of shareholder value. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the overall returns.

(i) Foreign currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk arises when transactions are denominated in foreign currencies.

The Company operates locally in INR and is not exposed to foreign currency risk

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements

(All amounts in Rupees lacs, unless otherwise stated)

(ii) Price risk

The Company is mainly exposed to the price risk due to its investment in mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

24 Capital management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements (All amount in Rupees lacs, unless otherwise stated)

Significant Accounting Policies

1. General Information:

- a) Siddha Ventures Limited ("the Company") is a public company domiciled in India and registered under the provisions of Companies Act, 1956. The Company is listed on Bombay Stock Exchange.

The standalone financial statements for the year ended 31st March, 2022 were authorized and approved by the Board of Directors on 25 May, 2022

b) Statement of Compliance

The financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as 'ND AS') as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

2. Basis of Preparation:

- a) The financial statements have been prepared on going concern under historical cost basis except for certain financial assets and liabilities which are measured at fair value

b) Functional and Presentation Currency

The Financial Statements have been prepared in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been denominated in lacs and rounded off to the nearest two decimals, except when otherwise stated.

3. Use of Estimates and Judgements:

- a) The preparation of the financial statements in conformity with the Ind AS requires management to make estimates, judgements and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent assets and liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Examples of such estimates includes provision for income taxes, classification of assets and liabilities into current and non-current and the useful lives of the tangible and intangible assets . Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

Critical accounting judgements and key sources of estimation uncertainty: Key assumptions:

i) Recognition and measurement of provisions, liabilities and contingencies:-

Provision and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can be reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements
(All amount in Rupees lacs, unless otherwise stated)

Contingencies in the normal course may be arise from litigation and other claims. Potential liabilities that are possible but not probable of crystalizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes to accounts but are not recognized.

ii) Income Taxes:-

The Company's tax jurisdiction is India .Significant judgements are involved in determining the provisions for income taxes including amount expected to be paid or recovered for uncertain tax positions.

iii) Fair value measurements:-

When the fair value of the financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on the quoted prices in the active markets, their fair value is measured using the valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

4) Significant Accounting Policies:

a) Overall Considerations :-

The financial statements have been prepared using significant accounting policies and measurement basis that are in effect at 31st March , 2022 as summarised below:-

b) Current versus non-current classification:-

The company presents assets and liabilities in the balance sheet on current and non-current classification:-

- i) The asset/liability is expected to be realised/settled in normal operating cycle;
- ii) The asset is intended for sale or consumption;
- iii) The asset/liability is held primarily for purpose of trading;
- iv) The asset/liability is expected to be realised/settled within twelve months after reporting period;
- v) The asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after reporting date;
- vi) In the case of a liability, there is no unconditional right to defer settlement of the liability for at least twelve months after reporting date;

All other assets and liabilities are classified as non-current.

c) Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, cash at bank, highly liquid investments with original maturities of three months or less , which are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements
(All amount in Rupees lacs, unless otherwise stated)

d) Taxation

Tax expense recognised in the Statement of Profit or Loss comprises the sum of the current tax and deferred tax except the ones recognised in Other Comprehensive Income or directly in Equity.

i) Current Income Tax

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current Income Tax relating to items recognised outside the profit or loss is recognised either in Comprehensive Income or in Equity.

Current Income Tax for the current and prior periods is recognised at the amounts expected to be paid to or received from the tax authorities, using the tax rates and the tax laws enacted or substantively enacted by the Balance Sheet date.

The Company offsets current tax assets and liabilities, where it has legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii) Deferred Tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on the tax rate (and tax laws) that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax is recognised in respect of the temporary differences between the carrying amount of assets and liabilities for the financial reporting purposes and the corresponding amounts used for taxation purposes (i.e. tax base).

Deferred tax assets are recognised to the extent possible that the taxable profit will be available against which the deductible temporary differences can be utilized.

Entire deferred tax asset to be utilized. Any reduction is reversed to the extent possible that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to the items recognised outside the Statement of Profit and Loss is recognised either in other comprehensive income or in equity. Deferred tax assets and liabilities are offset when there is legally enforceable right to set off the non-current assets against non-current liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its non-current assets and liabilities on a net basis.

iii) Minimum Alternate Tax

Minimum Alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. MAT Credits are in form of unused tax credits that are carried forward by the Company for a specified period of time. Accordingly, MAT Credit Entitlement has been grouped with deferred tax assets (net). Correspondingly, MAT Credit Entitlement has been grouped with deferred tax in Statement of Profit and Loss.

e) Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to provision is presented in the statement of profit and loss. Provisions are reviewed at each balance sheet date.

Contingent Liabilities

A contingent liability is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that is not recognised because it is probable that an outflow resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent Liabilities for Current Year is disclosed in Notes No .19

Contingent Assets

Contingent Assets are neither recognised nor disclosed. However, when realisation of the income is virtually certain, related asset is recognised.

f) Revenue Recognition

Revenue is recognised and reported to the extent possible that the economic benefits will flow to the company and the revenue can be reliably measured.

Interest Income

Interest Income is recorded using Effective Interest Rate (EIR) for all the instruments measured at amortised cost. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial assets or to the amortised cost of financial liability.

Dividend Income

Dividend Income is recognised when the right to receive payment is established.

g) Inventories (Stock in Trade)

Closing Stock of Shares and Securities have been valued at Cost or market value/fair, whichever is lower. In case of unquoted shares, fair value is taken at breakup value of shares as per the last available balance sheet of the concerned company. In case of Mutual Funds, the NAV (net asset value) of the unit is considered as market value /fair value.

h) Borrowing Costs

Interest on borrowing cost is recognized on a time proportion basis into account the amount outstanding and at the rate applicable on the borrowing. Ancillary expenditure

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements (All amount in Rupees lacs, unless otherwise stated)

incurred in connection with the arrangement of borrowings is amortized over the tenure of the respective borrowings. An unamortized borrowing cost remaining if any is fully expensed off as and when the related borrowing is prepaid or cancelled.

i) Employee Benefits Expenses

Short Term Employee Benefits

Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss for the year in which related services are rendered.

j) Earnings Per Share (EPS): -

Basic earnings per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net Profit or Loss for the year attributable to the equity shareholders and weighted average number of share outstanding if any are adjusted for the effects of all dilutive potential equity shares

k) Financial Instruments: -

A financial instrument is any contract that gives rise to financial asset of one entity and a financial liability or equity instrument of another equity.

Financial Assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade Receivables are initially measured at the transaction price. Regular way of purchase and sale of financial assets are accounted for at trade date.

Subsequent Measurement

For the purposes of subsequent measurement, financial assets are classified in three categories.

- Amortised Cost
- Fair Value through Other Comprehensive Income (FVTOCI)
- Fair Value through Profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Measured at Amortised Cost: A financial asset is measured at amortised cost if it is held within a business model whose objective is achieved by both collecting contractual cash

flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements (All amount in Rupees lacs, unless otherwise stated)

Measured at FVTOCI: A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well at each reporting date at fair value. Fair value measurement is recognised in Other Comprehensive Income.

Measured at FVTPL: A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

De-recognition

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for the measurement and recognition of impairment loss for financial assets.

ECL is the weighted average of the difference between all the contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

-All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets

-Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade Receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses that result from all possible default events over the expected life of a financial instrument.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12 month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date, ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecast of future economic conditions.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements (All amount in Rupees lacs, unless otherwise stated)

Financial Assets

In respect of other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

While making the assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make the assessment, Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent Measurement:

For the purpose of subsequent measurement, financial liabilities are classified in following categories: -

- Fair Value through Profit or loss (FVTPL)
- Amortised Cost

Measured at FVTPL: A financial liability is classified as at FVTPL. It is classified as held for trading or it is derivative or it is designated as such on initial recognition. Financial liabilities as at FVTPL are measured at fair value and net gains and losses, including any interest expense is recognised in profit and loss.

Measured at Amortised: Other financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

The Company derecognizes a financial liability (or a part of financial liability) only when the obligation specified in the contract discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Impairment of non-financial assets

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements

(All amount in Rupees lacs, unless otherwise stated)

to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to the individual cash-generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

I) Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and or disclosure purposes in the financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly;
- Level 3 inputs are unobservable inputs for the asset or liability

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information of standalone financial statements
(All amount in Rupees lacs, unless otherwise stated)

m) Event after reporting date

Where the events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed

n) Investment in subsidiary

Investment in subsidiary are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists the carrying amount of the investment is assessed and written down immediately to its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. On disposal of the investments the difference between net disposal proceeds and the carrying amount is recognised in Statement of Profit and Loss.

o) Segment Reporting

Operating Segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company.

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. As per requirement of Ind AS 108 "Segment Reporting" no disclosures are required to be made since the Company's activities consists of a single business segment.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Siddha Ventures Limited**

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying consolidated Ind AS financial statements of Siddha Ventures Limited ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "Group") which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated Ind AS financial statements, including a summary of significant accounting policies and other explanatory information (herein referred to as the "Consolidated Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate Ind AS financial statements and on other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, their consolidated profit (including other comprehensive income), their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the consolidated Ind AS financial statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Valuation and Existence of Inventories/Investments We have focused on the valuation and existence of the inventories in Equity because these represents a principal element on the net assets in the Financial Statements	We have assessed the Company's process to compute the fair value of various investments and inventories. For quoted instruments we have independently obtained the market value and recalculated the fair value. For unquoted instruments we have obtained an understanding of various methods used by the management and analyzed the reasonableness of the principal assumptions made for estimating the fair value and other various data used while arriving at the fair value measurements

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies are responsible for assessing the Company's ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

That respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and other such entity included in the consolidated financial statements of which we are the independent auditors regarding,, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/financial information of one subsidiary company whose result/statement includes assets of Rs. 204.18 lakhs, revenues NIL, loss after tax Rs. 0.23 lakhs, comprehensive income Rs. 0.08 lakhs for the year ended on that date respectively, and net cash outflows Rs. 0.05 lakhs for the year ended March 31, 2022, which have been audited and furnished to us by the independent auditor. Our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of the subsidiary is based solely on the reports of the other auditor and the procedures performed by us stated above.

Our opinion on the consolidated financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Company's Management.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements, below is not modified in respect of the above matters with respect to reliance on the work done and the reports of other auditor and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

Annexure 1 to the Independent Auditor's report of even date on the consolidated Ind AS financial statements of Siddha Ventures Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Siddha Ventures Limited ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred as "the Group") as on March 31, 2022 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with Reference to these consolidated Ind AS Financial Statements

A company's internal financial controls with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of the information and explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to Ind AS financial statements and such internal financial controls with reference to Ind AS financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matter

We did not audit the internal controls with reference to the financial statements/financial information of one subsidiary company whose result includes assets of Rs.204.18 lakhs, revenues NIL, loss after tax Rs 0.23 lakhs, comprehensive income Rs.0.08 for the year ended on that date respectively, and net cash outflows Rs.0.05 lakhs for the year ended March 31, 2022, as considered in the consolidated financial statements. The internal financial controls with reference to the financial statements in so far as it relates to such subsidiary have been audited by other auditor whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to the financial statements for the Holding Company and its subsidiary company as aforesaid, under Section 143 (3) (i) of the Act in so far as it relates to such subsidiary company is based solely on the reports of the auditor of such company. Our opinion is not modified in respect of such matter with respect to our reliance on the work done by and on the reports of the other auditors.

(b) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the Statement of Profit and Loss are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: Unobservable inputs for the asset or liability

The following table shows the Levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis at 31 March 2022 and 31 March 2021 :

23 Financial risk management

The Group Company's business activities expose it to a variety of financial risks such as credit risks, liquidity risk and market risks. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the consolidated financial statements.

(a) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group Company. The Group Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Group Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortised cost. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

i) Trade receivables

The Group Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. The allowance account in respect of trade and other receivables is used to record impairment losses unless the Group Company is satisfied that no recovery of the amount owing is possible. At that point, the financial asset is considered irrecoverable and the amount charged to the allowance account is written off against the carrying amount of the impaired financial asset.

As the Group Company does not hold any collateral, the maximum expense to credit risk for each class of financial instrument is the carrying amount of that class of financial instrument presented on the statement of financial position. Impairment of trade receivables is based on expected credit loss model (simplistic approach) depending upon the historical data, present financial conditions of customers and anticipated regulatory changes. Group Company does not hold any collateral in respect of such receivables.

ii) Financial instruments and cash deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

Credit risk exposure

The gross carrying amount of financial assets, net of any impairment losses recognised represents the maximum credit exposure. The maximum exposure to credit risk as at 31 March 2022 and 31 March 2021 was as follows:

Particulars	As at 31 March 2022	As at 31 March 2021
Trade receivables (refer note 8)	40.00	40.00
Investments (refer note 5)	204.08	204.00
Inventories (refer note 7)	1,351.57	1,310.42
Cash and cash equivalents (refer note 9)	2.61	15.95
	1,598.26	1,570.37

(b) Liquidity risk

Liquidity risk is the risk that the Group Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Group Company has an established liquidity risk management framework for managing its short term, medium term and long-term funding and liquidity management requirements. The Group Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. It manages the liquidity risk by maintaining adequate funds in cash and cash equivalents. The Group Company also has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.

Maturities of financial liabilities

The following table shows the remaining contractual maturities of financial liabilities at the reporting date. The amounts reported are on gross and undiscounted basis and includes contractual interest payments. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

As at 31 March 2022:

Particulars	Less than 1 year	1-2 years	2-4 years	4-8 years	Total
Other financial liabilities (refer note 13)	0.89	28.82	-	-	29.71
	0.89	28.82	-	-	29.71

As at 31 March 2021:

Particulars	Less than 1 year	1-2 years	2-4 years	4-8 years	Total
Other financial liabilities (refer note 13)	2.00	29.67	-	-	31.67
	2.00	29.67	-	-	31.67

(All amounts in Rupees lacs, unless otherwise stated)

(c) Market risk

Market risk is the risk of potential adverse change in the Group Company's income and the value of Company net worth arising from movement in foreign exchange rates, interest rates or other market prices. The Group Company recognises that the effective management of market risk is essential to the maintenance of stable earnings and preservation of shareholder value. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the overall returns.

(i) Foreign currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Foreign currency risk arises when transactions are denominated in foreign currencies.

The Group Company operates locally in INR and is not exposed to foreign currency risk

(ii) Price risk

The Group Company is mainly exposed to the price risk due to its investment in mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

24 Capital management

For the purpose of the Group Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Group Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Group Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information for consolidated financial statements (All amount in Rupees lacs, unless otherwise stated)

1. General Information:

- a) Siddha Ventures Limited ("the Company") is a public company domiciled in India and registered under the provisions of Companies Act, 1956. The Company is listed on Bombay Stock Exchange.

The consolidated financial statements relate to Siddha Ventures Limited and its subsidiary (collectively referred as "the Group") as per the details below:

Name of the Subsidiary	Country of Incorporation	% of holding as on 31 st March 2022
Siddha Midcity Private Limited	India	98%

The consolidated financial statements of the Group for the year ended 31 March 2022 were approved for issue in accordance with the resolution of the Board of Directors on 25 May 2022.

b) Basis of Preparation

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as 'ND AS') under historical cost convention on the accrual basis, except for certain financial instruments which are measured at fair values.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting policy hitherto in use.

The Financial Statements have been prepared in Indian Rupees (INR) which is also the Company's functional currency. All amounts have been denominated in lacs and rounded off to the nearest two decimals, except when otherwise stated.

2. Basis of Consolidation:

a) Principles of Consolidation:

The consolidation financial statements comprise the financial statements of the Group and its subsidiary. Control is achieved when the Group has:-

- Power over the investee
- Is exposed or has the rights to variable returns from its involvement with the investee and
- Has the ability to use the power over the investee to affects the return

The Parent Company re-assesses whether or not it controls an investee if facts and circumstances indicates that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Parent Company gains and control until the date the Parent Company ceases to control the subsidiary.

The consolidated financial statements have been prepared on accrual going concern basis. They are prepared using the uniform accounting policies for like transactions and other events in similar circumstances. If a subsidiary uses the accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group financial statements in preparing the consolidated financial statements to ensure conformity within the Group's accounting policies.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information for consolidated financial statements
(All amount in Rupees lacs, unless otherwise stated)

b) Consolidation Procedure

All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of the products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The consolidated financial statements of the Group have been prepared on a line-by-line consolidation by adding together the book value of the like items of assets and liabilities, income and expenses as per the respective financial statements. Intragroup balances and intragroup transactions have been eliminated.

Non-controlling interests which represent part of net profit or loss and net assets and liabilities of the subsidiary that are not directly, or indirectly owned or controlled by the Company, are excluded.

3. Use of Estimates and Judgements:

The preparation of the consolidated financial statements in conformity with the Ind AS requires management to make estimates, judgements and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent assets and liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Examples of such estimates includes provision for income taxes, classification of assets and liabilities into current and non-current and the useful lives of the tangible and intangible assets . Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

Critical accounting judgements and key sources of estimation uncertainty:

Key assumptions:

i) Recognition and measurement of provisions, liabilities and contingencies:

Provision and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can be reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change.

Contingencies in the normal course may be arise from litigation and other claims. Potential liabilities that are possible but not probable of crystalizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes to accounts but are not recognized.

ii) Income Taxes:-

The Group Company's tax jurisdiction is India .Significant judgements are involved in determining the provisions for income taxes including amount expected to be paid or recovered for uncertain tax positions.

iii) Fair value measurements:-

When the fair value of the financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on the quoted prices in the active markets, their fair value is measured using the valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

4) Significant Accounting Policies:

a) Overall Considerations :-

The consolidated financial statements have been prepared using significant accounting policies and measurement basis that are in effect at 31st March , 2022 as summarised below:-

b) Current versus non-current classification:-

The Group presents assets and liabilities in the balance sheet on current and non-current classification:-

- i) The asset/liability is expected to be realised/settled in normal operating cycle;
- ii) The asset is intended for sale or consumption;
- iii) The asset/liability is held primarily for purpose of trading;
- iv) The asset/liability is expected to be realised/settled within twelve months after reporting period;
- v) The asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after reporting date;
- vi) In the case of a liability, there is no unconditional right to defer settlement of the liability for at least twelve months after reporting date;

All other assets and liabilities are classified as non-current.

c) Cash and Cash Equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, cash at bank, highly liquid investments with original maturities of three months or less , which are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

d) Taxation

Tax expense recognised in the Statement of Profit or Loss comprises the sum of the current tax and deferred tax except the ones recognised in Other Comprehensive Income or directly in Equity.

i) Current Income Tax

Calculation of current tax is based on tax rates and tax laws that have been enacted for the reporting period. Current Income Tax relating to items recognised outside the profit or loss is recognised either in Comprehensive Income or in Equity.

Current Income Tax for the current and prior periods is recognised at the amounts expected to be paid to or received from the tax authorities, using the tax rates and the tax laws enacted or substantively enacted by the Balance Sheet date.

The Group offsets current tax assets and liabilities , where it has legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis , or to realise the asset and settle the liability simultaneously.

ii) Deferred Tax

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on the tax rate (and tax laws) that have been enacted or substantively enacted at the end of the reporting period.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information for consolidated financial statements

(All amount in Rupees lacs, unless otherwise stated)

Deferred tax is recognised in respect of the temporary differences between the carrying amount of assets and liabilities for the financial reporting purposes and the corresponding amounts used for taxation purposes (i.e. tax base).

Deferred tax assets are recognised to the extent possible that the taxable profit will be available against which the deductible temporary differences can be utilized.

Entire deferred tax asset to be utilized. Any reduction is reversed to the extent possible that it becomes probable that sufficient taxable profit will be available.

Deferred tax relating to the items recognised outside the Statement of Profit and Loss is recognised either in other comprehensive income or in equity. Deferred tax assets and liabilities are offset when there is legally enforceable right to set off the non-current assets against non-current liabilities and when they relate to income taxes levied by the same taxation authority and the Group Company intends to settle its non-current assets and liabilities on a net basis.

iii) Minimum Alternate Tax

Minimum Alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. MAT Credits are in form of unused tax credits that are carried forward by the Company for a specified period of time. Accordingly, MAT Credit Entitlement has been grouped with deferred tax assets (net). Correspondingly, MAT Credit Entitlement has been grouped with deferred tax in Statement of Profit and Loss.

e) Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to provision is presented in the statement of profit and loss. Provisions are reviewed at each balance sheet date.

Contingent Liabilities

A contingent liability is a possible obligation that arises from the past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that is not recognised because it is probable that an outflow resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

Contingent Assets

Contingent Assets are neither recognised nor disclosed. However, when realisation of the income is virtually certain, related asset is recognised.

f) Revenue Recognition

The Group Revenue is recognised and reported to the extent possible that the economic benefits will flow to the company and the revenue can be reliably measured.

Interest Income

Interest Income is recorded using Effective Interest Rate (EIR) for all the instruments measured at amortised cost. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial assets or to the amortised cost of financial liability.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information for consolidated financial statements
(All amount in Rupees lacs, unless otherwise stated)

Dividend Income

Dividend Income is recognised when the right to receive payment is established.

g) Inventories (Stock in Trade)

Closing Stock of Shares and Securities have been valued at Cost or market value/fair, whichever is lower. In case of unquoted shares, fair value is taken at breakup value of shares as per the last available balance sheet of the concerned company. In case of Mutual Funds, the NAV (net asset value) of the unit is considered as market value /fair value.

h) Borrowing Costs

Interest on borrowing cost is recognized on a time proportion basis into account the amount outstanding and at the rate applicable on the borrowing. Ancillary expenditure incurred in connection with the arrangement of borrowings is amortized over the tenure of the respective borrowings. An unamortized borrowing cost remaining if any is fully expensed off as and when the related borrowing is prepaid or cancelled.

i) Employee Benefits Expenses

Short Term Employee Benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss for the year in which related services are rendered.

j) Earnings Per Share (EPS): -

Basic earnings per share is calculated by dividing the net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net Profit or Loss for the year attributable to the equity shareholders and weighted average number of share outstanding if any are adjusted for the effects of all dilutive potential equity shares

k) Financial Instruments: -

A financial instrument is any contract that gives rise to financial asset of one entity and a financial liability or equity instrument of another equity.

Financial Assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade Receivables are initially measured at the transaction price. Regular way of purchase and sale of financial assets are accounted for at trade date.

Subsequent Measurement

For the purposes of subsequent measurement, financial assets are classified in three categories.

- Amortised Cost
- Fair Value through Other Comprehensive Income (FVTOCI)
- Fair Value through Profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Measured at Amortised Cost: A financial asset is measured at amortised cost if it is held within a business model whose objective is achieved by both collecting contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Siddha Ventures Limited

Summary of significant accounting policies and other explanatory information for consolidated financial statements (All amount in Rupees lacs, unless otherwise stated)

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Measured at FVTOCI: A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well at each reporting date at fair value. Fair value measurement is recognised in Other Comprehensive Income.

Measured at FVTPL: A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

De-recognition

The Group derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for the measurement and recognition of impairment loss for financial assets.

ECL is the weighted average of the difference between all the contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Group Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

-All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets

-Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade Receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses that result from all possible default events over the expected life of a financial instrument.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial asset. 12 month ECL are a portion of the lifetime ECL which result from default events that are possible within 12 months from the reporting date, ECL are measured in a manner that they reflect unbiased and probability weighted amounts determined by a range of outcomes, taking into account the time value of money and other reasonable

information available as a result of past events, current conditions and forecast of future economic conditions.

Financial Assets

In respect of other financial assets, the Group Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

While making the assessment, the Group Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make the assessment, Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

Financial Liabilities

Initial Recognition and Measurement

Financial liabilities are at initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent Measurement:

For the purpose of subsequent measurement, financial liabilities are classified in following categories: -

- Fair Value through Profit or loss (FVTPL)
- Amortised Cost

Measured at FVTPL: A financial liability is classified as at FVTPL. It is classified as held for trading or it is derivative or it is designated as such on initial recognition. Financial liabilities as at FVTPL are measured at fair value and net gains and losses, including any interest expense is recognised in profit and loss.

Measured at Amortised: Other financial liabilities are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

The Group derecognizes a financial liability (or a part of financial liability) only when the obligation specified in the contract discharged or cancelled or expires.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

Impairment of non-financial assets

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not

possible to estimate the recoverable amount of an individual asset, the Group Company estimates the recoverable amount of the cash generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are

also allocated to the individual cash-generating units, or otherwise they are allocated to the smallest group of cash generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less cost to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

l) Fair Value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and or disclosure purposes in the financial statements is determined on such basis.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly;
- Level 3 inputs are unobservable inputs for the asset or liability

m) Event after reporting date

Where the events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.
